3. Do I need to complete an Income Verification Form or Free & Reduced Lunch Application?

YES, all families of Cambridge City School students are asked to complete an Income Verification Form for their CPS or CIS students or a Free & Reduced Lunch Application for their CMS or CHS students. The completion of these forms is needed in order for the school district to keep the current federal grant programs funded.

All CPS and CIS students will receive FREE breakfasts and lunches for the entire 2020-2021 school year. CMS and CHS students will receive FREE breakfasts and lunches until 12/23/20. Beginning 1/4/21, the lunch costs for CMS and CHS students will be determined by the information reported on the student's Free & Reduced Lunch Applications. Please call our Food Service Director at 740-439-3508 with any questions.
